Webinar Training Sessions Now Available

Simple online registration

Live webinar training sessions are now being offered for Alberta Netcare Portal (ANP) users!

These live interactive sessions will provide an overview of the key functionalities of ANP, with opportunities to ask questions and optimize your settings to facilitate your use of the system.

Take a look at the Learning Centre and find the session most appropriate for you. Sessions have been tailored to support the needs of each type of user role, and are intended for ANP users who want to learn the basics, as well as seasoned users interested in tips and tricks for improved use.
